You are very welcome to come along unaccompanied if you would normally be in the park on your own. If you usually come down with an adult you need to bring them with you. The Friends of Cotteridge Park volunteers are **NOT** responsible for you when you are in the park. If you are under 18 you will need an adult to sign a permission form to go on the climbing wall & do some of the bush craft activities. Permission forms will be available at the sessions.
